### Term and condition for supply of goats

- 1 The value of the Goats will be deposit 85 % in advance.
- 2 All the given Rates is at farm price and weight of goats will be done at our farm.
- 3 Transportation will not included in the deal and all the given Rates is without transportation cost but we will make all arrangements and required facility for transport at your cost , and you have to pay separately to the transporter
- 4 In case of non vaccinated goats,goats will be supply after 15 - 25 days After Deposit the amount according to the season and climate.
5. The weight of goats is not accurate, so +/- 5 Kg in the body weight will be applicable in the deal.
- 6 The goats is 100 % Pure Blood and 100 % vaccinated against the FMD, ET, HS, and PPR Diseases.
- 7 Eid Bucks is also available for sale only in case of previous booking
- 8 All the rates of goat is only for present month.

Note :- Mortality ratio may be high in case of non vaccinated goats and vary less in case of vaccinated goats. So our advice is to take vaccinated goats to reduce mortality and other complications and risks.

Thanks & Regards
