Deepak Patidar

A Goat farmer

Founder & MD : Goatwala Farm

- Vice president: Goat and sheep Farmer welfare Association
- Former Board member Nanaji Deshmukh Veterinary university Jabalpur MP (2009 to 2019)

OBJECTIVE

- To develop a sustainable Goat Sector, in Tribal areas for providing sustainable livelihood to small farmers. Introduce a new and innovative sector supporting agriculture industry that helps establish an organized goat industry in India.
- Our aim to develop a cooperative sector through which all the actual tribal/small /poor goat farmers can get the benefit of rearing and get the best price of their goats, and we can improve the genetic potential of the goats by advance breeding techniques and practices.
